C&S commemorates

Celebrating the Stars of America's Workforce
SEPT. 11-17, 2023

In September, our attention turns to wrapping up summer activities, school starting and Labor Day. In our country, Labor Day pays tribute to the many contributions & important achievements of American workers.

In the staffing industry and at C&S Employment Solutions, September provides an additional occasion to recognize and salute our employees. That is due to **National Staffing Employee Week occurring September 11-17.**

Established by the American Staffing Association, this commemorative week honors the millions of temporary and contract employees working for U.S. staffing agencies.

Again this year, C&S plans to observe National Staffing Employee Week (NSEW) and use this opportunity to extend our thanks to our employees and clients.

Watch for a special **Thank You** card from C&S that will be mailed to current employees in the near future. (If you have had a change in address, please contact C&S to update your mailing address in our files so you don't miss out!) The **Thank You** card will include **two gifts** from C&S Employment Solutions!

First, the card contains a Gift Card good for a free ice cream treat at Cold Stone Creamery. The gift card can be redeemed at the Cold Stone Creamery in Jefferson City for "Like It" or "Love It" ice cream. Please note that the gift card must be redeemed by October 20, 2023.

The **Thank You** card also serves as a voucher to claim a t-shirt with the new C&S Employment Solutions logo. Simply bring the **Thank You** card to C&S Employment Solutions at 1731 Southridge Drive during National Staffing Employee Week (September 11-15) between 8 a.m.-5 p.m. (Monday-Thursday) or 8 a.m.-3 p.m. (Friday) and pick up your t-shirt from C&S!

C&S Employment Solutions is grateful for the loyalty and dedication of our employees and proud to salute all C&S employees during National Staffing Employee Week!

Thank you for the important role you play at your current job assignment and for C&S Employment Solutions!
